2002

Principal's Message

In everyone's lifetime, something happens that changes things forever. The events of September 11, 2001 have changed the world as we previously knew it. The horror of that day stunned us and made us realize how fragile life can sometimes be. It also demonstrated the heroically human "spirit of courage" that is often unrecognized and underutilized in our daily lives. We often don't know of what we are capable or how heroic we can be until we are faced with great adversity.

As you turn the pages of this yearbook, consider the enormous human potential that you see. Graduates from J. Percy Page will go on to become heroes and leaders in every field in the future. As you consider this, ask yourself the question, "Am I living up to my potential?" "Do I demonstrate daily, the courage to pursue my dreams and goals?" "What must I do today, to deserve a better tomorrow?" These are questions we must all ask and answer for ourselves. Once time and opportunity pass, there are many things that can never be retrieved again.

Be bold! Live each day with spirit, courage and purpose. Always strive to make things "a little bit better," for yourself, your family, your community, your country and, of course, humanity. If you live this way, you will be a special kind of hero to us all. I would like to extend my congratulations to this year's graduates as they move to new challenges. I would also like to thank all staff and parents for supporting our students this year and encouraging them to achieve their highest potential.

I have truly enjoyed this year with all of you and wish you much health and happiness in the future.

Sincerely,

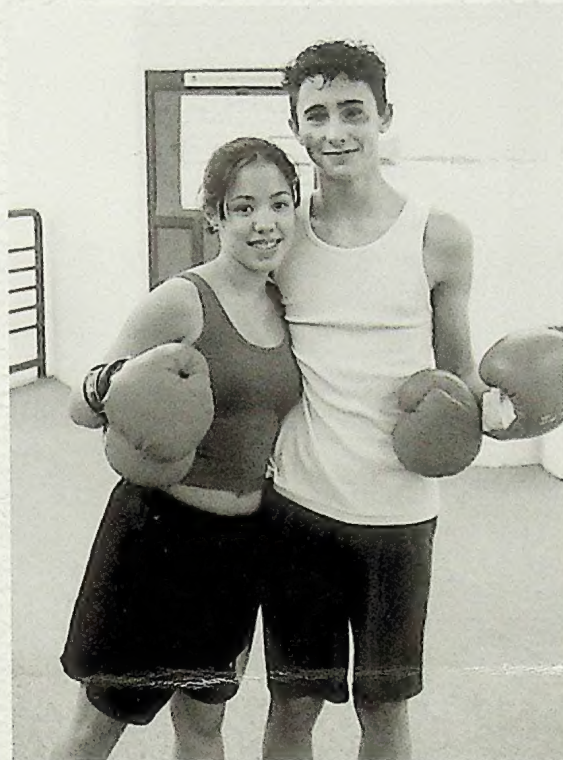

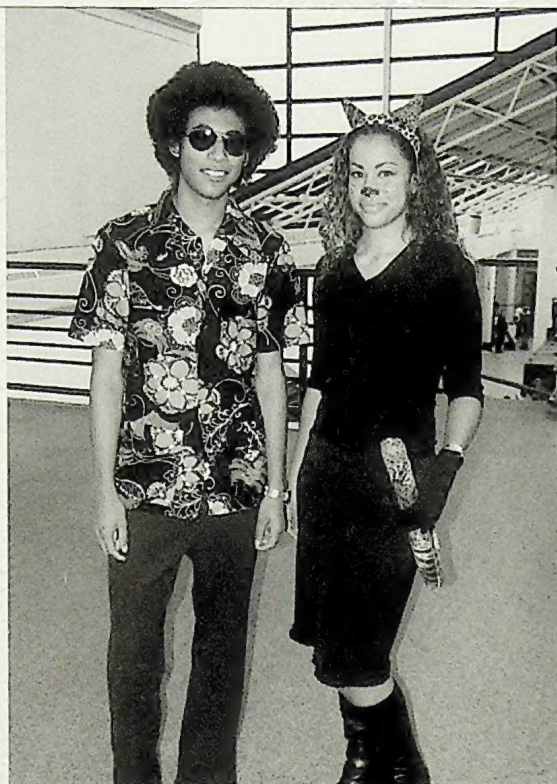

A handwritten signature in dark ink, appearing to read "L.B. Yaniw". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

L.B. Yaniw
Principal

ENGLISH DEPARTMENT

THE ENGLISH DEPARTMENT... MAKES A DIFFERENCE !!!

William Shakespeare, Macbeth

Just as Shakespeare's Macbeth said, our tomorrows are creeping in again as we see the end of the first full school year of the first century. Eager to greet students in September to explore all sorts of wonderful literature and, of course, assign all those great essays were an especially keen group of teachers:

D. Anderson	G. Hamilton
V. Arnold	S. Holomis
P. Bessel	W. Mitchell
J. Boyle	C. Kemp
C. French	B. Sparrow

There were many changes in the school this year including Mrs. Sparrow's new roofless English classroom in Wapiti (now, from the hallway, we can listen to her inspiring lessons!), but many things remained the same including some tremendous student work in and out of all those English classes. Many Grade 12 students worked hard to help Hamlet understand "this quintessence of dust" and thought that they have hopefully learned a little more about themselves, most of our Grade 11's wandered the Canadian prairie in poetry and prose, and our Grade 10's opened their eyes to the delights of Shakespeare in *Romeo and Juliet* or *Julius Caesar*.

Many students this year took advantage of opportunities to attend theatre productions such as *Taming of the Shrew* and *Oedipus Rex*, while other students contributed moving pieces of poetry for our Remembrance Day ceremony and our Remembrance Day poetry collection, *Voices of Remembrance*.

To our graduating students, thank you for being such a wonderful part of our success this year! May the thoughts of others in the literature studied in our classes and the ideas that you have explored so well in all those high school essays be part of your eyes tomorrow. We hope that you will continue to read and to reflect upon the words of others so that your lives may be truly enriched. Remember as your old friend Hamlet recognized, the readiness is, all the readiness for all the wonder that your life can be!

Ms. Kemp
English Department Head

SOCIAL STUDIES DEPARTMENT

Along with the entire student body, the staff of the Social Studies Department celebrates the completion of another year at J.Percy Page High School. We share many good memories with our students and wish our graduating class the best in the future. The department hopes we have had a role in opening the window of what life beyond high school has to offer.

In the classroom we have tried to keep you aware of current events and have provided you with the background material so you can make sound informed decisions in the future. We have tried to make the courses in Social Studies challenging and stimulating; many of you will remember trips to various drama productions and forums such as the Holocaust Symposium at the U of A. A variety of guest speakers from politicians, to ecologists have attempted to help us expand our minds and look at events differently. If we have done our jobs properly, we hope that each graduate will take his or her place in being concerned and active regarding social issues.

Our department provides much more than what is found in the curriculum. Perhaps you have worked with Mr. Long on the 30 Hour Famine or Remembrance Day ceremonies, or been involved with Mr. Montgomery on the cross country team. Many have attended conferences with the help Mrs. Mawson, or have been part of a team coached by Mr. Ross or Mr. Briggs. Perhaps your concern about safety of our roads have led you to Mr. Hamilton's Students Against Impaired Driving Club. We have helped you raise money, expand your minds, and exercise your bodies. We have watched you grow and I hope that you have watched us grow as well. Our goal is that in turn you will encourage others to grow and examine new ideas and activities. Remember, we all cannot be the same.

To those students that are leaving us, we will miss you. To those that are returning to us in September we look forward in sharing with you the experiences your remaining high school years have to offer.

Randy Montgomery
Social Studies Department Head

MATHEMATICS DEPARTMENT

The Math department experienced a huge transition in staff this year, with almost half of the department being new to J. Percy Page. Joining the department was:

Mrs. Elder (Dept. Head)	Mr. Bangsund	Ms. Benbow
Mr. Bissoon	Mrs. Gannon	Mrs. Irwin

Not all of the faces were new though, considering that Mrs. Gannon had student taught at Page last year and Ms. Benbow had replaced Mrs. Marika while she was ill.

Mr. Belostotski	Ms. Besselk	Mr. Bihun
Mr. Kapoor	Mr. Pysyk	Mrs. Wilson

All members of the department worked cooperatively and enthusiastically in planning units and supporting students with their learning. The department once again staffed a study hall at lunch and after school in order to provide students with any extra-help they needed.

This year saw the highest level of participation, by Page students, in the University of Alberta Math Competition. Although students were unable to participate in other math competitions (due to the strike) we hope that the enthusiasm of the 10's and 11's will continue next year as we once try to increase the number of students participating in Math Competitions.

With next year in mind, the department wishes to extend its best wishes to Mr. Bagsund as he leaves to pursue a career in law and to Mr. Kapoor and Ms. Benbow as they move on to other positions. We also wish the grade 10's and 11's a restfull summer and we look foreward to their return in September. To grade 12's we hope that we have instilled in you a love for learning. We encourage you to pursue challenges and to critically analyze situations that you will be faced with in the future. Best wishes to all of you

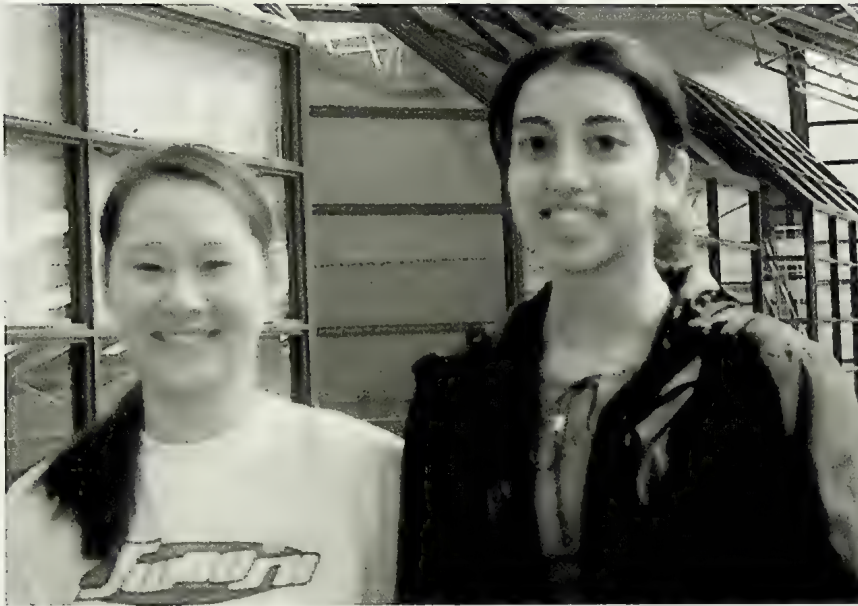

"Do not worry about your difficulties in mathematics; I can assure you that mine are still greater." - Einstein

SCIENCE DEPARTMENT

It has been another enjoyable and successful year for the Science Department at Page. Our teachers this year included Mr. Adams, Ms. Beesley, Ms. Benedik, Mr. Buxton, Mr. Gaumont, Mrs. Huculak, Mr. Maradyn, Miss Nattress, Mr. Mohsen, Mrs. Panylyk, Mrs. Sedens, Mr Wynn and Mr. Ypma. All of these teachers will be returning to Page next year, except for Miss Nattress, who is transferring to another school and Mr. Ypma, who is returning to University. We will miss them both, and we wish them well in the future.

I hope that our students will look back on the year fondly, will take pride in their accomplishments, and will have formed many vivid memories upon which to reflect in the future. To all of the "Class of 2002" I wish the best of luck, and great success in the future. To those returning to Page in the fall, I hope you have a wonderful summer and look forward to working with you again next year.

G. Buxton

GRAD

AS THE YEARS
GO BY

2002

Grad Council Message

We're finally here! When we reflect on our times at J. Percy Page, we realize that what once seemed so far away comes quickly and more quickly each coming year. How the years have gone by! There are now big decisions and changes in store for every one of us. Some may work, some may go to a post-secondary institute, and some may be independently wealthy and not have to do anything. Whatever path you decide to take, always remember the friendships, experiences and memories made here at our big red school. You have all worked hard and it has finally led to this, the celebration, the chaos. This is your graduation. Take time to enjoy part of it while it lasts.

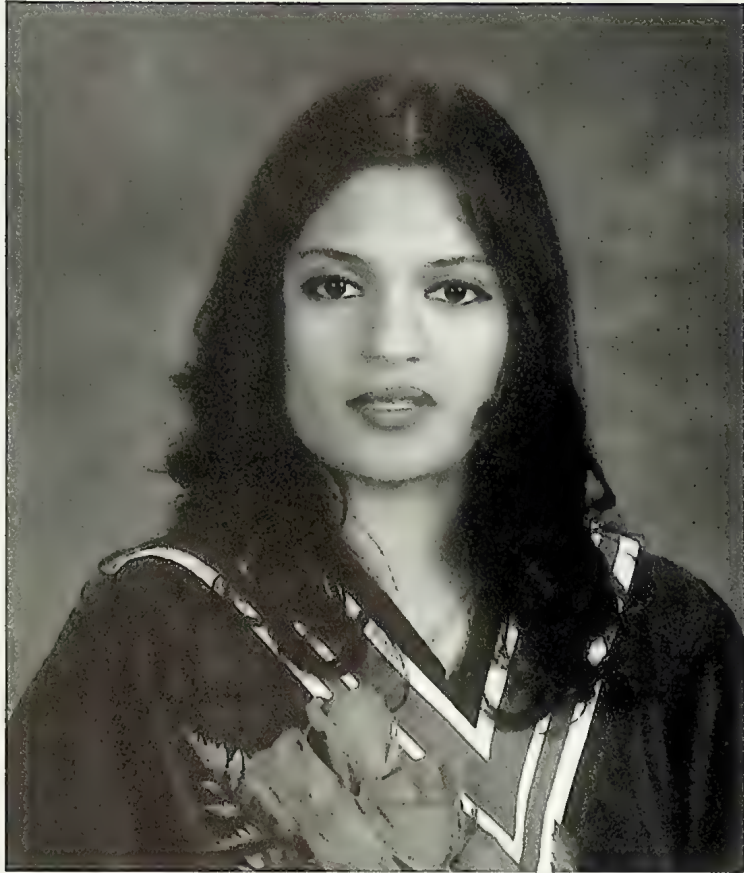

I would now like to thank a group of people who made the J. Percy Page Grad of 2002 happen. The 2002 graduation council dedicated this year to make your dreams about this night come true. They put in countless hours of hard work and determination. Please be sure to thank the following people...

Students' Union Message

We have arrived at the "all important" stage in our young lives in which we will have to make decisions; choices which will determine our futures. It is now that we branch off in different directions: some of us going to university, others going to college, and others entering the work force. One thing we have to remember, though, is who we are.

A lot has happened during our three year term at Page. Everything from dance, talent shows, and pop rallies has helped us discover and live the *Panther Spirit*. Now we must live the memories and apply the lessons we have learned to our lives yet to come. The diploma we will receive is not only the result of twelve years of hard work; it is also a "rite of passage" from school life to real life. We must respect and relish what is to come.

On that note, I would like to thank Mrs. Mah and Mr. Lu for their never ending help and support. I also would like to thank all of Students' Union for such a great Year!

GRADUATION STUDENTS' UNION COUNCIL

Simren Vig, Vice President Executive
Amit Sharma, Vice President Internal
Caroline Xu, Vice President Finance
Juliet Goodridge, Executive Secretary

Dan Yeung
